

Stefan-Gabriel Lungu

Student, self-taught in networking and Linux

CONTACT

E-mail: hi@lungustefan.com

Location: Turda, Romania

GitHub: github.com/lungustefan

Nationality: Romanian

EXPERIENCE

01/08/2025 - present

Operator of AS205941

My own autonomous system (volunteer)

- I run my own autonomous system: BGP routing, IPv4 and IPv6, selective peering.
- I give free virtual machines to people in the community.

Ongoing

Projects for other people

Volunteer, unpaid

- I build things people ask me for, and open source them when they're fine with it.

December 2025

Volunteer

Banca pentru Alimente Cluj (Cluj Food Bank) · Cluj, Romania

- One-time volunteering.

EDUCATION

2026 - present

“Mihai Viteazul” National College

Turda, Romania

- Natural sciences, intensive English.
